Roseville AC To Meet Truckee Here On Sunday

Late Start Costs Locals Game, Out-Hit WR 17 to 15

Before the Truckee Mountaineers found their stride in the sixth inning, the Wolf and Royer team of Roseville had piled up a 13 to 2 lead and won the Placer-Nevada League game here Sunday 13 to 8, despite a couple of rallies by the local team which offered a real threat.

Next Sunday the Truckee team will be host to the Roseville Athletic Club, now occupying the foot of the percentage ladder. Like Truckee, the AC's have had a series of losses, but is rejuvenated and promises some real competition.

In last Sunday's game, the Truckee team out-hit the visitors 17 to 15, but six costly errors contributed to the loss.

Eddie Ulsheimer, local shortstop, topped all batters with a triple, two doubles and a single in five times up. Mike Korich, Truckee catcher, whammed out two doubles in his four trips and played a good game otherwise. Bill Black, Mountaineer chucker for the first five innings, got two for two.

Black went out in the sixth inning when Roseville started pounding his offerings too freely and Karl Kielhofer took over on the mound. Karl was in fine shape and Roseville hit him only twice and failed to score any more runs.

Bob Connelly started for Roseville and worked well for five innings when he was replaced by Jack Hartman. Truckee soon found Hartman and a rally started before he was replaced by Rodrick in the 8th to stop the threat.

Lujan played a sweet game in center field getting five put outs despite a stiff wind which kept the ball in doubt until it was caught. Harvey Martin was on first and did a good job while Mel White at third and later replaced Joe Bernard at second again proved his value to the team.

Due to the absence of Manager Larry Baxter, now on vacation, Coach Johnny Rau managed the team very effectively Sunday and will have charge of the crew again Sunday afternoon.

Miss Faulkner Feted At Party for 6th Year

Marianne Faulkner, daughter of Mr. and Mrs. Kenneth Faulkner, was the incentive for a party given on Thursday afternoon, June 23.

Gaily colored balloons were suspended from the ceiling over the refreshment table which was centered with a large coconut cake holding six candles, one for each year of her life. Gifts were given to the small honoree and all of the small guests.

Those present included Mr. and Mrs. Will Faulkner of Roseville, her grandparents, Mrs. Edward Frates, Barbara Richards, Varienne and Dorothea Frey, Lila and Bobby Frates.

Driver Pays $50 Fine for Hitting Parked Car

William J. Kuhn, 22, Truckee, was fined $50 when he appeared before Justice of the Peace R. N. Little this week charged with hitting an unattended vehicle and failing to report it to the owner. He was cited by State Patrolman George Schrom. The vehicle driven by Kuhn struck and damaged a car owned by Earl K. Stice which was parked near the Telephone Building.

Chamber Favors Rustic Signs At Truckee Entrance

No Action Taken at Meet On Parking Plan By Directors

A large, new rustic sign telling the motorist that he is now entering Truckee, the heart of the greatest recreational area in the west, will be erected at the west approach to town if the directors of the Truckee Chamber of Commerce have their way.

Director Jack Wolert made the suggestion at the meeting of the chamber at Goodfellows' Monday at noon. He proposed a sign at least 24 feet wide and 12 feet tall, properly lighted and artistically designed with the huge sign surrounded by rustic logs.

The cost of such a project is being studied and a report will be made by Wolert at next Tuesday's meeting at the California Cafe. All members are urged to attend.

The directors also further discussed a membership drive and other plans for civic improvement. Earl Stice, president, was in charge of the meeting.

One of the chief topics of discussion was the traffic and parking problem in Truckee. Proposals were made that deliveries to stores be made at back doors and that store keepers park their cars when possible in the rear of their establishments to provide more parking space for shoppers on the main street. No action was taken.

D.A. TURNS DOWN GATEWAY PARK FIRE PETITION

The district attorney has ruled that the petition from residents of Gateway Park seeking annexation to the Truckee Fire District is not in order and a new petition is being prepared.

The original petition was circulated nearly a year ago and signed by 23 residents of the area and was approved by the local fire commissioners.

Technicalities in the document were found wanting and so the task must be repeated.

Forest Officer Speaks To Local Club Friday

William Curran, fire control officer for the U. S. Forest Service here, will be the speaker and show moving pictures on his subject during the program to be given in the Women's Wyethia Club tomorrow evening, July 1. Mesdames G. Leavitt, Rufus Gregory, Earl Stice and A. Pfaendler will be tea hostesses.

A silver tea will be given in the R. N. Little home on Friday afternoon, July 8, for members of the Women's Wyethia Club and their guests. Mrs. Jack Ellis and her committee will be the hostesses for the affair.

Surprise for Mrs. Todd On Sunday Birthdate

Mr. and Mrs. Ivan Todd were surprised by Cedar Ridge friends on Sunday, honoring Mrs. Todd's birthdate. Those present from out of town included Mr. and Mrs. John Goeller, Mrs. M. Simpson and Mr. and Mrs. C. W. Pratt.

San Franciscan Hurt As Car Leaves Road

Samuel C. Gersh, 48, San Francisco, suffered severe cuts on his face and his new Studebaker was demolished Sunday afternoon on Donner grade when the vehicle got out of control and crashed into the rocks. Gersh was thrown through the windshield and was taken to a Reno hospital by the Truckee ambulance for treatment. Patrolman William Gautsche cited the driver for going too fast.

Auburn Guests—

Mrs. Albert Ring and daughter Marguerite of Auburn have been guests of the former's father, R. Joseph, returning to their home this week.

Truckee To Go Western Style This Summer

Englehart Proposal To Welcome Tourists Wins Support

From now until Labor Day, residents of Truckee are asked to cooperate with the local service clubs in dressing in conformity with the Centennial days observance in California. Jeans and colored scarfs, cowboy attire and whiskers, if desired, will be the order of the day.

The proposal was suggested by W. M. Englehart Jr. at the Lions Club and other clubs have agreed, he reports, to go along with the idea.

The plan was thought up in view of the fact that Truckee is the first town entered in California by tourists and it will give them a general idea of the celebrations and observances being held throughout the state celebrating the 100th anniversary of the Gold Rush days. Women as well as men are invited to participate in the plan which is meeting wholehearted support.

REYNOLDS SEATED AS LIONS PREXY BY GOV. ESTERLY

B. W. Reynolds was installed as president of the Truckee Lions Club last night with District Governor W. W. Esterly officiating as installing officer.

Other officers seated were Robert Gifford, first vice; Robert Seibold, second vice; Angelo Besio, lion tamer; Roy Waters, tail twister; E. K. Stice, secretary; and R. C. Gregory, Elden Tonini, Ray Scott and Jay Richards, directors.

The Lions accepted an invitation extended by the Rotary Club to join them in a picnic at the west end of Donner Lake on Sunday, July 10, at 10 o'clock. A softball game and other entertainment will be arranged and later the group will attend the Truckee-Colfax ball game at the ball park here. The day will be dedicated as Rotary Day at the ball game. All Lions, Rotarians, their families and guests are invited.

Visitors last night included Dr. John Groat of Temple City and Jack Fitzgerald of Sacramento, the latter visiting here with his family at the C. Edmunds home.

Judy Giovannoni, Six, Is Honored at Party

Twenty young friends of Judy Giovannoni helped her celebrate her sixth birthdate on Saturday, June 25, at the home of her parents, Mr. and Mrs. Frank Giovannoni. The afternoon was spent in playing games, opening gifts and was climaxed with the traditional cutting of the birthday cake.

4th Birthday Incentive For Girl's Lawn Party

Barbara Anne Vertner was honored on the occasion of her fourth birthdate with a party of young friends at the home of her parents, Mr. and Mrs. L. D. Vertner, on Monday, June 27. Refreshments and games on the lawn featured the afternoon.

Ex-Sheriff Married In Del Norte Rites

A recent wedding of local interest was that of Mr. and Mrs. George R. Carter who returned to Nevada City from a honeymoon through Oregon, following their marriage June 11 in Crescent City by Rev. Angus Miller, pastor of St. Paul's Episcopal Church in the Del Norte County seat.

The bride is the former Miss Bernice Clemo, Grass Valley, and was for 12 years prior to her marriage, a clerk on the staff of the county treasurer and tax collector. Carter is a former sheriff of Nevada County.

The couple will make a home in Willow Valley.

Board Approves Plan To Finish 89 To Truckee

Loehr Will Seek Action By Sierra County On Road North

The Nevada County board of supervisors at their meeting on Monday unanimously endorsed a resolution directed to the state division of highways urging consideration of a program to complete State Route 89 from the Sierra County line to Truckee where it joins U. S. Highway 40.

The resolution was presented by Supervisor H. G. Loehr of Truckee, who said the balance of the board apparently favored the project which would open up a new line of travel from the Feather River country through this area.

When and if the work is done, funds will be provided by the public works administration cooperating with the state, Loehr indicated.

The Truckee Chamber of Commerce, the Lake Tahoe Sierra Association and other organizations have already passed resolutions asking completion of the lateral and Loehr said he will now confer with supervisors of Sierra County with an aim of having the officials of that county take similar action for the uncompleted portion of the road in Sierra County.

State division of highway officials were here last week conferring with Loehr relative to the road as well as other highway problems of the area.

BALLISTICS DATA BEING AWAITED IN HEMPLE CASE

With the release of Fred Ludgate, 31, Santa Rosa, as a possible suspect in the slaying of Walter Hemple, 72, Lake Tahoe real estate man, Nevada police are now awaiting a ballistics report on two slugs fired from a .22 calibre automatic and a revolver found in possession of Earl W. Clements, 18, held by bay city police on suspicion of banditry in Utah.

Several witnesses in San Francisco reported Ludgate was in that city the night Hemple was slain near Kings Beach by an unknown assailant with whom Hemple had dined a short time prior to the murder and robbery of the elderly man.

The case apparently is no nearer solution than it was when the body of Hemple was found slumped in the front seat of his car with a bullet hole through his head and his wallet missing, although Reno police are exhausting every clue.

Many Visitors at Meet Of Eastern Star Here

Truckee Chapter No. 116, Order of Eastern Star, held its regular meeting on Tuesday, June 22. Following the meeting refreshments were served in the banquet room.

Guests of the evening were Bernice Martin, deputy grand matron of the 8th district; Worthy Matron Lois Hartwell of Loyalton; Gladys B. Friday, Knights Landing; E. Marguerite Webb, Penryn; Zella B. Mortimer and Alice A. Brown, Sacramento; J. D. Anderson and Louise Anderson, Berkeley; Agnes Greene, Santa Clara, Philip Martin, Loyalton. Also present were members of Truckee Chapter Clara Greene and Lloyd Greene, now residing in Sebastopol, and Wilma Chaplin, now residing in Portland, Ore.

The next meeting of Truckee Chapter will be held Tuesday, July 5, and members of this and other chapters are cordially invited to attend.

Billingsley Escapes As Car Is Demolished

Tom Billingsley, Southern Pacific trainmaster, was fortunate in escaping serious injury Monday when the car he was driving left the highway near his home at Emigrant Gap and overturned several times. The vehicle was demolished.

With a 70-mile shoreline one would naturally believe that Lake Tahoe embraces sufficient territory to provide room for speed boats without molesting swimmers and smaller craft, but there are always a few "wise" operators who find morbid delight in whipping speeding crafts as close as possible to helpless swimmers and row boats. This practice often ends in tragedy. A little girl lost both feet swimming at Tahoe this week because of the foolish antics of a "funster" who insisted on providing himself and the youngster a thrill. A woman is still in a hospital as a result of a similar prank last year and numerous small boats with fishermen have been swamped by the close proximity with speedboat drivers. If the maximum punishment for this crime is insufficient to prevent its continuance, then new laws should be written immediately. Tahoe and other lakes should be safe for all water sports but deliberate actions which have brought about these tragic accidents must be stopped at once.

Your Truckee Chamber of Commerce is making a valiant fight to return to normal and become a real benefit to everyone in the community. The directors and officers are serious in their desire to make the chamber work and stand prepared to do all in their power to assist the community. You can help yourself by joining the chamber, attending the meetings and lending your suggestions and assistance. By pulling together we can do a lot for Truckee and the surrounding area. It's worth the effort.

SUMMIT SCHOOL SLATED TO OPEN TERM JULY 11th

The Donner Trail School on Donner Summit will open for the year July 11, it has been announced by Everett O'Rourke, district superintendent.

The teachers are Mrs. Olia Tiffee, who has been teaching at the school, and Miss Patricia Bowman, who is on leave from the Berkeley school system.

O'Rourke said that all other schools in the Tahoe Truckee Unified District will start on September 12 this year. The Donner school starts early to provide for the snow season which makes holding classes impossible at times during the winter.

JET PROPULSION EXPLAINED AT ROTARY SESSION

A highly entertaining and educational discussion and demonstration on jet propulsion was presented at the meeting of the Rotary Club Monday night by Ralph W. Shearer, former Reno student and now with General Electric Company at San Francisco. The program was illustrated with motion pictures. Shearer was accompanied by his father, Ralph W. Shearer Sr., and Dr. Erving String of Reno. Bud Horak was program chairman and H. H. Hodson presided.

Visiting Rotarians were Tyge Larson, Auburn; Rube Welsh, Brockway; Ken Tymnlow, Loyalton; Robert Hoffman, Red Bluff; L. W. Coffee, Desert Hot Springs and Charles Spier, Downey.

There will be no meeting on July 4th.

20-30 Plans Ladies Night, Installation

Hospital Bonds Scheduled For Early Election

Tentative Plans O.K.'d By Board, Federal Authorities

Plans for the proposed new Tahoe Forest hospital are progressing as speedily as possible and within the near future, a resolution calling a bond election to provide the district's share of the cost will be passed by the board of directors, C. R. Heller, board president, reports.

At a meeting Monday evening, Attorney T. L. Chamberlain, Architect George Sellon and Supervisor H. G. Loehr met with the board and discussed the program from all angles, with emphasis on the financial difficulties faced by the board at present.

Because the district was formed too late to benefit from this year's taxes, the board is faced with operating under limited funds until the bond issue which is expected to be presented to the voters in the near future is passed.

The board will require, as its share of the cost, $140,000, the other two-thirds being borne by the state and federal governments on a matching basis. Sellon indicated the federal agencies, including the surgeon general at Washington, have approved the tentative plans and now await local action.

The hospital plans were approved by the board at Monday's session. They provide for a modern, one story concrete and steel structure, complete with surgery, isolation ward, heating plant and all other facilities required by the federal agencies. The site, donated by R. Joseph at Gateway Park, a little more than half a mile west of Truckee, has also met with federal and state approval and in event the bond issue is passed, Heller declared, there seems little reason why construction cannot be started within the next few months.

Sellon is working closely with state officials so that the program there is keeping abreast with local plans, he told the board. Chamberlain said he hoped to have the bond resolution prepared for tomorrow night's session of the local board.

County Fair Allocated $95,000 of State Funds

The state public works board has approved the allocation of state building funds to a number of projects including $95,000 for the district fair at Grass Valley, according to Mrs. Edith Scott, secretary of the 17th agricultural district.

The fund is a matching appropriation and supplements $124,000 accumulated by the Nevada County Fair district over the past 12 years. The state fund will be used, Miss Scott advises, for the purpose of providing a $90,000 exhibition building and a $5,000 steel portable bleacher.

Plans for the new fair grounds are being prepared by Ray Franceschi, Sacramento architect.

Donner Lake Dweller Suffers Minor Hurts

LeRoy Waggoner, 70, Oakland, who owns a home along Donner Lake, suffered minor injuries on Sunday morning when the 1949 Oldsmobile sedan he was driving ran off the road near his home and hit a rock. Patrolman George Schrom investigated.

Bay Area Auto Dealer To Face Mishap Charge

Roseville Girl Loses Both Feet in Boat Prop Near Bijou

Federal charges which carry a penalty of one year in jail and a $2,000 fine may be filed against Phil Davis, wealthy Oakland auto dealer, as the result of a speed boat tragedy near Bijou Monday in which Imogene Wittsche, 13, Roseville, lost both feet when they were struck by the propellor of a boat believed to have been operated by Davis.

The auto dealer has denied the charge but witnesses and a damaged boat propellor say otherwise.

Imogene and a companion, Janet Lutz, 13, were swimming near shore when a boat cut over them, severing one of Imogene's legs and leaving the foot of the other hanging by a thread. Janet held her companion up and this prevented her drowning while Carl Wittsche, who had witnessed the scene from shore, rushed to her rescue. The boat circled the area and then sped away, witnesses said. Later it was said to have been traced to the Davis home where it was confiscated.

The seriously injured girl was rushed to a Reno hospital where the second foot was amputated. Today her father, a Sacramento gardening representative, faces the difficult task of telling her that her feet are gone.

El Dorado County officials are awaiting action of the federal authorities, which have jurisdiction over the waters of Tahoe, before making a definite announcement, although District Attorney Henry S. Lyons said: "There is no question but that charges will be filed. There is no doubt in my mind that Davis is guilty."

DONNER TRAIL BILL IS SENT TO WARREN'S DESK

SACRAMENTO —(W. N. S.)— The state assembly this week took final legislative action on a bill requiring the State Division of Beaches and Parks to establish and develop the Old Overland Emigrant Trail between Chicago Park and Donner Summit as part of the California riding and hiking trails project.

The bill drafted by Assemblyman Francis Lindsay, Loomis, now goes to the governor's desk for signature. Under its provisions the beaches and parks agency will start erecting markers on the trail designating it as a historical monument. At the same time a study will be made on the cost of acquiring easements on the trail right-of-way for permanent development as a state monument. The report will be submitted at the 1951 legislative session. According to Lindsay, he hopes property owners owning portions of the right-of-way will donate the land to the state.

Ten Are Initiated In Pythian Sisters

Ten candidates were initiated into Summit Temple No. 79, Pythian Sisters, at their meeting last Thursday. They were Lea Roberts, Alberta Nelson, Betty Copeland, Bernice Borden, Ruth Cutetteleberry, Dorothy Guymer, Vivian Horsley, Helen Jenkins, all of Truckee and Maye Stark and Vera Frazier of Tahoe.

Refreshments were served at Sarge's following the meeting.

Sparks Pair Injured Just West of Border

Minor injuries were received Monday night by Miss Maxine Harwood, passenger, and Leonard G. Paradis, driver, both of Sparks, Nev., when the 1946 Chrysler sedan went out of control on the wrong side of U. S. 40 about a quarter of a mile west of the state line, hit the side of the hill and rolled over. Officer William Gautsche, who investigated, gave Paradis a citation for driving on the wrong side of the road. Paradis went to his doctor for treatment and Miss Harwood was taken to a Reno hospital by passing motorists.

Woman 72 Breaks Hip While Playing Tennis

Bertha Quisenberry, 72, Santa Paula, was taken to a Reno hospital Tuesday after she fell on the tennis court at Tahoe Tavern while playing tennis and fractured her left hip. Dr. C. B. Pedersen called the Truckee ambulance to have the patient removed to the hospital after he gave treatment.

Tahoe Area Youngsters Look Forward to Shrine Circus in Reno

TAHOE CITY— Children of the Lake Tahoe area have received an invitation from Charles Frish of Kerak Shrine Circus to be guests of the Shriners in Reno on August 19, 20, 21 and 22. The big circus will be held as previously in the University Stadium from 1:15 to 4:00 p.m. daily. A. M. Anderson of Tahoe City will secure tickets for those in this area and all children from six to 14 are welcome. Tickets may be secured for adults with children if they will give notification two weeks in advance. All requests for tickets should be in to Anderson by the first week in August in order that the Shrine may know how many visitors they can expect.

Mrs. Marie Henry has contacted School Superintendent Everett O'Rourke regarding the use of the school buses for transportation and he is sure they will be available when needed. Each district must arrange for its own tickets and use its own buses. Volunteer chairmen are sought in each school district to make arrangements with Frish whose address is Kerak Shrine Circue, Reno, Nevada. Last year a large crowd of Tahoe children attended the circus and enjoyed the event hugely.

At least twice weekly, aircraft from Alaska fly to the North Pole and back to make weather observations.

Three Truckee Students Vie for Award of AAUW Scholarships

TAHOE CITY— Members of the Tahoe branch of the American Association of University Women met June 22 at Sunnyside Lodge for luncheon. A business meeting followed, presided over by Mrs. Raymond Scott of Truckee. At the conclusion of the business session the group motored to the home of Mr. and Mrs. Henry Droste at Homewood where Droste related the experience of himself and his wife during their last trip to Mexico.

Names of the winners of the scholarship offered by the local AAUW have not yet been announced but it is reported that three Truckee graduates of Meadow Lake Union High School took the required examinations. They are Clarence Dunkelbarger, Betty Ann Parkhurst and Ofelia Dominguez. No students of the Tahoe high school applied as graduates plan attending vocational school rather than university. Winners names will be announced following the next meeting of the AAUW.

A picnic is planned for July 12 at Bliss Park at home of Mr. and Mrs. Robert Hatch at which the families of members will be guests.

Tahoe Masons Attend Truckee Breakfast

KINGS BEACH— Masons from this area at the visit of Grand Master Edward T. Seims of the Masonic Grand Lodge of California included Nate Sexton, Sam Neff and A. M. Anderson of Tahoe City; George Reiners, Carnelian Bay; Don Bowman and E. J. Stokes from Kings Beach.

Seims was the guest of honor at a breakfast held in Capital Hall at Truckee with members of Truckee Lodge No. 200, F&AM, serving as hosts. The affair was held last Sunday morning.

Fish, Game Fines Head For New Record Mark

SAN FRANCISCO— Arrests and fines for violations of the Fish and Game Code will reach another all-time high during the current fiscal year, it is indicated by records of the Division of Fish and Game.

As of June 1, California judges and wardens had teamed up to penalize 6176 errant sportsmen with fines totaling $311,423. The previous 11-month record was set between July 1, 1947 and June 1, 1949 when 5,665 arrests brought fines aggregating $253,844.

Out of a total of 477 arrests made in May, 1949, only four defendants were found not guilty and five cases dismissed. Fines brought $15,727 to state and county fish and game preservations funds during that month.

127 Placed in Jobs By Grass Valley Office

SACRAMENTO —(W. N. S.)— Placements of workers in jobs in the Grass Valley department of employment office during May totaled 127, according to a report made by the department this week. During the same month, the office received 63 new applications for work.

The office handled 577 unemployment insurance and servicemen's readjustment allowances during the month.

Boy Scouts Preparing for Camp Sessions In Summit Region

Registrations for the one-week session at Camp Pahatsi, Tahoe Area Council Boy Scout camp near Soda Springs, are filled, it is revealed by Scout Executive Raymond J. Ewan, who will serve as camp director.

The one-week session will open July 10 and continue to July 17. On July 17, the two-week session will open and run to July 31. Ewan stated that registrations for the two-week session are at one-third of the camp capacity already. He pointed out that Boy Scouts desiring to attend the two-week period should make every effort to get their applications in to the scout office by the deadline since after that date, the second and third week session will be open to Scouts who are going for one week only and who could not be accepted for the first week.

A concentrated program of Scoutcraft, campcraft, waterfront activities, Scout advancement, Honor Belt awards, and Tribe of Pahatsi meetings will be held the first week of the camp. The two-week program will feature pack animal trips and overnight hikes and the Pahatsi ranger primitive camping course.

Field archery instruction, handicraft, campfire program, movies and special activities will be additional program features.

Among troops from which Scouts will be attending camp is Truckee Troop No. 7, of which William Bottel is Scoutmaster. Other troops to be represented will be Roseville Troops 11 and 14, Lincoln Troop 18, Loomis Troop 12, Penryn Troop 9, Auburn Troops 3, 10 and 19, Applegate-Weimar Troop 21, Colfax Troop 25, Foresthill Troop 26, Grass Valley Troops 22, 4, 35 and 32, and Gold Flat Troop 15.

25 New Polio Cases Are Reported In State

SACRAMENTO —(W. N. S.)— The number of polio cases reported to the state department of health last week rose to 25, according to a report released on Monday.

Counties from which the cases were rported were Alameda 2, Humbodlt 1, Imperial 2, Kings 1, Los Angeles 6, Sacramento 2, San Diego 5, Solano 2, San Mateo, Santa Clara, Ventura and Yolo, one each.

Mumps headed the list of communicable diseases during the week with 1206 cases in California.

O'Rourke Spikes Rumor, Says Tahoe Youths To Share In Activities

TAHOE CITY— A meeting of the Tahoe Lake School PTA was held last Thursday with Mrs. A. C. Johnson, president, in charge.

The speaker was Everett J. O'Rourke, superintendent of the Tahoe-Truckee Unified School District. He spoke at length on the benefits of the new school plan and answered questions from the audiennce. One report he denied was the one that Tahoe and Kings Beach students, who next year will go to Truckee for high school classes, would be deprived of after school activities because they would have to take the school bus home immediately after school. This, he stated, is not the case. He declared that money has been allotted with which to provide a station wagon to return children to their homes following extra-curricular activities.

The recent PTA carnival in the Tahoe Lake School netted the treasury approximately $300, according to Mrs. Johnson. This is the largest sum ever realized in this area from such an activity and will be used for child welfare in this district.

The last food sale of the season will be held on July 8 at 11 a.m. at Sam's Market in Tahoe City. Mrs. Charles Albers and Mrs. Johnson are chairmen of the sale. PTA activities will be resumed on September 22.

Mrs. A. F. Sanford and Miss Betty Lee served refreshments at the conclusion of Thursday's meeting.

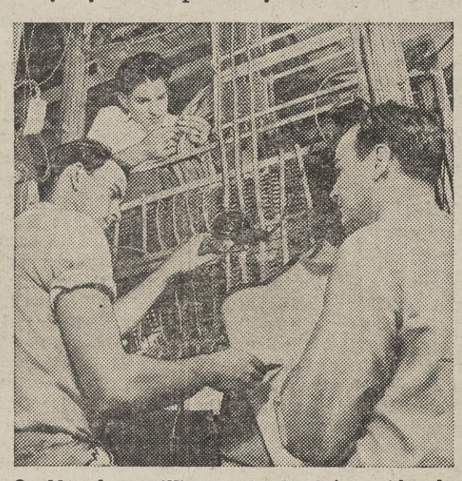
NOW 3 OUT OF 4 TELEPHONE ORDERS FILLED IN A MONTH

In some fastest-growing areas the wait still is long—but we're making steady progress

1. Installers have been working fast the first half of 1949 . . . keeping up their pace of the postwar years. Here in the West, 145,000 new telephones will have gone into service in the first six months of the year. Although new orders keep pouring in, we're able to take care of them faster. Seventy-two per cent are filled within thirty days—that's practically three out of four.

2. Hundreds of miles of telephone cables have been going in at a fast clip. But these voice-highways are still bottlenecked in some places—in many of our fastest-growing areas, practically no telephones can be installed for months . . . until the lines and other facilities can catch up with the mushrooming demand. The telephone picture looks better . . . but it's not yet all we want it to be.



3. Nearly a million and a half tiny soldered connections must be made before new equipment like this can begin working in a medium-sized office. But we're hurrying all we can to make the waiting time shorter still. Your telephone needs are very real to us and we won't be satisfied until everyone . . . everywhere in the West . . . has more and better telephone service than ever before.

4. Huge sums of money have gone to work in the West to make this new equipment possible — and your own telephone more valuable. Millions must come — not from bills—but from people who put savings into the telephone business. To attract these dollars, we must pay a reasonable amount for their use . . . must sell our services at fair, adequate prices.

Vernon Is Named As Juvenile Referee

Justice of the Peace C. W. Vernon of Tahoe City has been named a juvenile court referee by Superior Judge Lowell Sparks of Placer County. This permits Vernon to consider juvenile cases and grant probation in certain cases.

Heretofore, all juvenile cases have had to be referred to the juvenile court in Auburn. The new set-up will permit misdemeanors to be disposed of in the Tahoe justice court.

Judge Sparks stated he would grant similar jurisdiction to all justices in the county who request it.

Soloist from Sacramento For Weekend Service

TAHOE CITY— Guest soloist at the Outdoor Chapel near Tahoe Tavern over the Fourth July weekend will be Miss Betty Burke, Sacramento soprano. The guest organist who will accompany her is Mrs. Elizabeth Woods of Berkeley who performs annually for the Episcopal Chapel at Tahoe. Bishop Noel Porter, who officiates at the chapel during the summer, has chosen as his sermon topic for July 3 a patriotic theme titled "Amid the Cedars."

Back to School—

Mr. and Mrs. Herman Rauh divided last weekend between Berkeley, Palo Alto and Sacramento. Rauh will attend school throughout the coming winter to secure his teacher's certificate at Sacramento College.

Tahoe Ski Club Adopts Aquatic Version

TAHOE CITY— Members of the Lake Tahoe Ski Club met in Tahoe community hall last Friday evening with President Gerry Waters presiding.

The club discussed proposed lessons in water skiing during the summer and it was voted to hold regular practices until participants are proficient enough to enter contests. The G. D. Waters, the Jake Stuarts and the Floyd Carnells furnished refreshments following the meeting. Next meeting is scheduled for July 29.

Up from Los Angeles—

Charles B. Moore of Los Angeles has returned to Tahoe City for the summer.

A monument was unveiled to the memory of the immortal Babe Ruth at Yankee Stadium on opening day, alongside those already commemorating Lou Gehrig and Miller Huggins, and we were reminded of another monument to the Babe, one that had its beginnings back in the days when the Yankee slugger was at the height of his glory.

There was a chunky little batboy with the Yankees who worshipped Babe Ruth. That batboy yearned to become a big league ball player, and Ruth encouraged him to stick around and learn all the baseball he could.

That obscure batboy grew to love Ruth with a fierce loyalty. He was almost a slave to all the great man's wants. He followed him wherever he went. He ran errands for him. He shined his shoes. He was his messenger boy, his valet, the keeper of his bats. That batboy probably would have given his life for Ruth if the great man had asked for it.

At the height of his fame, Babe Ruth was quite a wild character. He gambled. He kept later hours during the season, when he should have been in bed. He stuffed himself with food at all hours of the day without regard for training rules. Many of his escapades made the headlines, as did his home runs. But to that batboy, the great Babe Ruth could do no wrong.

One afternoon before a game, Ruth decided to have a slight snack. He told his loyal batboy to fetch him a couple of hot dogs and some soda pop. The batboy rushed away to do Ruth's bidding. He brought back a dozen hot dogs and a dozen bottles of soda.

And Babe Ruth ate all those hot dogs and drank all that soda pop. Of course, no one knew about this except Babe Ruth and the batboy. That afternoon, Babe Ruth, the million dollar ball player, came down with a "bellyache" heard 'round the world. **He collapsed, and had to be rushed to a hospital. Headlines all over the world blazed with the shocking news that Babe Ruth was dying. One paper ran a rumor that he had been poisoned by gamblers.**

The calmest person was manager Miller Huggins. He had a pretty good idea of what Ruth's trouble was. He started a private investigation and found out who had fed Ruth all those hot dogs and all that soda pop. He promptly fired the unhappy batboy.

Well, Ruth recovered and went on to even greater glory. That unhappy batboy never did become a big league ball player. He knocked around for years, and eventually drifted to Hollywood. He got some bit starts in pictures, and his chunky body, homely but pleasant face, and sense of humor, soon brought him recognition. He became a star.

And this star was important to this other monument to Babe Ruth . . . a monument in the form of a moving picture called the "Babe Ruth Story," and starring in the role of Ruth himself . . . is his one-time batboy—**WILLIAM BENDIX!**

THE NEW MILLION DOLLAR TRAIN . . . . . WITH THE MILLION DOLLAR VIEW

Shasta Daylight

BETWEEN SAN FRANCISCO AND PORTLAND

STARTING JULY 10. Southern Pacific's brilliant new streamliner *Shasta Daylight* makes its "maiden voyage" on Sunday, July 10. And daily thereafter.

Leaving San Francisco and Portland in the morning, it arrives that evening—by far the fastest running time in history over the Shasta Route.

Our lowest fares will be good in streamlined chair cars on the new *Shasta Daylight*.

Through big "Skyview Picture Windows" of this dramatic red-and-orange dayliner you'll really see the wonders of Shasta Route . . . 14,161-foot Mt. Shasta, Lassen Peak volcano, Shasta Dam's Lake, Pit River Bridge, Sacramento River Canyon, Odell Lake, Cascade Mountains, Willamette River . . . all by day!

On the *Shasta Daylight*, like our *California Daylights*, there's a seat reserved for you without charge (for each child, too). It's foam-rubber, reclining, dreamy.

You'll enjoy other *Shasta Daylight* features: "windowpanes that breathe" for clear vision, our famous S.P. baggage elevators, zone-controlled no-draft ventilation, "feather-touch" doors that obey the whim of your finger . . . and beautiful colors of this train inspired by the route it serves.

Each *Shasta Daylight* (diesel-electric) has 9 chair cars, diner, coffee shop (always open), tavern car, and parlor-observation. Built for us by Pullman-Standard Car Mfg. Co. Nearly $5,000,000 spent to give you a new, fast, scenic, bargain way to travel on the Pacific Coast!

Tahoe Letter

FROM SWANEE

Tahoe City, June 27

Dear Tahoeites:

Over at Tahoe Tavern some girl employees have acquired a new an rather different pet. The other day a wee little baby skunk came wandering by and he was so cute they couldn't resist him as a pet. He has been named "Taboo" and there are plans afoot to have him deodorized at the very earliest possible moment.

Joined hundreds of others last Friday to journey down Tahoe Park way to look over the modern new market just copmleted for Mr. and Mrs. Ralph Sturgis. We were among the late comers and found the owners greatly pleased at the wonderful first day's business. There are many little tasks still to be completed but for the most part the store is ready for the vacationing public and an attractive edifice it is.

Mr. and Mrs. Orsino C. Smith of Los Angeles, parents of Mrs. Charlie Warner, arrived this afternoon to visit for the week with their daughter and family.

Thanks to Raymond of Tahoe Village, the Joe Henrys and we Swansons had a good table at the big Lake Tahoe Chamber of Commerce dinner the other evening. Had meant to count noses of those from Tahoe City in the letter this week but space is limited and will have to forego it. However, we did run into an old friend who must be mentioned. He is Chief Petty Officer Ray Nelson, son of the Earl Nelsons of Kings Beach, who is home on leave with his wife. She is the former Mary Dabney of Memphis, in which city they were wed January 30, 1948. They arrived at Tahoe a week ago last Wednesday and have 14 days to squander in the mountain region where he grew up and went to school. His wife is charmed with both the beauty of the mountain country and the many friends Ray is happy to see apain. It was a grand party and the general concensus of opinion seems to be, let's have more of them.

Met Mr. and Mrs. Victor Wikander today. They were in shopfing for supplies to take back into Buck Island Lake with them. They have already spent a month in their secluded island summer home and will return to spend the rest of the summer there within a day or two. Wikander skiied in twice last winter to shovel off his buildings so there was no damage done by the extremely heavy snow. Although surrounded by wild creatures of every sort and with fish abounding in the surrounding creeks and Rubicon River, the Wikanders neither hunt nor fish—they just haven't the heart. Both lovers of Nature, they prefer to keep their motto "Live and let live."

And just to prove to the doubting Thomases of this area that there ARE fish and plenty of them in the Truckee River, Gerry Waters on Saturday took his old pole and basket down to the river early in the morning, caught himself fifteen beautiful trout (the longest running to about 18 inches) and brought them into a local store for window display (on ice) until his appetite got the better of him.

Will ring off for the week and wish you all a happy Fourth of July. Don't forget what the experts tell us: Be alert on the 4th; be alive on the 5th! My best to you all, as ever, Swanee.

The first bicycle was made in Scotland in 1840.

Fashion Show, Aquacade Features at Tavern On Nation's Birthday

TAHOE CITY— Tahoe Tavern will hold its annual Style Show and aquacade on July 4 to which the public is cordially invited. Al Wallace and his band will furnish approprate music for the team of college girls now training daily at the Tavern pool. The team will include Marta Wilson, Ellen Hunt, Joyce Brundage, Carol Levp, Shirley Preston, Alene Wilening, Susan Otto and Audry Oehler. Male swim stars will feature Ed Wilson and Frank Hanlong, diving champions, Bob French and Bill Ayer.

The events will start at the Tavern pool at 2 p.m. with Harry Pierson as director.

On June 22 the Tavern held its first fashion show with the latest sports creations from its Roos Brothers shop. Coordinators were Miss Barbara King and Mary Primavera. Miss Linn Biron, Tavern social director, was commentator.

TAHOE ITEMS

Enjoying a two weeks vacation from Woodland at the Tahoe Pines home of Mrs. Mary Roberts are Mrs. Gino Celloni and two daughters.

Vacationing indefinitely at Tahoe City are Mrs. Cy Donelly of Sacramento and her houseguests.

Guests for the week at the Tahoe Park home of Mr. and Mrs. Phil Geier are Mr. and Mrs. Arel Wright of Alhambra.

Mr. and Mrs. Everett Prusso of Boise, Idaho, are vacationing at their summer cottage near Carnelian Bay. Their son Don is visiting with them.

Mr. and Mrs. Al Grennan and daugther Sara of Tracy enjoyed a ten-day vacation at the home of Mrs. Grennan's mother, Mrs. Alice Gebhardt, of Tahoe City.

Seven Tahoe Students Receive Diplomas On Tuesday Evening

TAHOE CITY— Students graduating on the evening of June 28 from the eighth grade of Tahoe Lake School included Delores Danley, Patricia Ricks, Barbara McKennon, Stanley Martin Jr., John Moore, Dorene Quam and Ronald Sanford. Mrs. Northrup Pomin, clerk of the school board, presented the diplomas and District Superintendent Everett O'Rourke was the guest speaker.

The Pledge of Allegiance was followed by three selections by the school orchestra. Peter Rabbit, an operetta, was given by the primary grades. The intermediate and upper grades sang in chorus Jose and Rosita, Stars of the Summer Night, Lone Star Trail, Bells of St. Marys, and Star Spangled Banner. The 7th and 8th grades gave the play they wrote, Livingstone in Africa, and the 3rd and 4th grades entertained with folk dances. Jerry Quam rendered on his accordion To You Sweeheart Aloha. and the processional, address and presentation of diplomas followed.

TEMPERATURE AT TAHOE RANGES OVER 45 DEGREES

TAHOE CITY— The lake level Monday stood at 6225.50 feet with 386 CSF of water leaving the gates of the Tahoe dam. Coldest day of the week previous was on the 21st with 34 degrees and warmest was the 25th with 79.

Floriston

by C. A. FELESINA

* * *

FLORISTON— U. S. Forest Service men were in town last week making an official inspection. They came in again Saturday and stood by while the rubbish around the incinerator was burned, making it possible to use the incinerator again. Not having a permit to burn earlier, things had pretty well piled up in the area. It will be possible now to burn regularly and keep it clean.

Miss Mary Whittenberg and Robert Winter of Sacramento were quietly married Saturday, June 25, at 1:30 p.m. in the chapel of the Methodist Church in Reno. The couple were attended by Winters's father and the bride's brother, Robert Whittenberg. The bride was very attractive in pale yellow with white accessories. After the ceremony the couple returned to Floriston where the Whittenberg home had been turned over to them. They left Sunday for Sacramento where they will make their home.

Mr. and Mrs. Frank Seymour entertained Sunday evening with a cocktail party in honor of Mr. and Mrs. Wesley Craig and Mrs. Craig's sister, Peggy. The Craigs are leaving for Pasadena for a three weeks vacation and Peggy is soon to leave for San Francisco. Besides the guests of honor those attending were Mr. and Mrs. Milton Thompson, Mr. and Mrs. Richard Demarest, Mr. and Mrs. Alex Ayala, Mr. and Mrs. Lester Felesina, H. C. Savage, Peter Hetzer and the host and hostess.

Mr. and Mrs. Edward Allen spent the weekend in Oakland where they had gone for their daughter, Ellen, who has been visiting friends there.

Mrs. Ann Pyle, her son Stuart and daughter Shirley of Auburn were visitors at the home of Mrs. Pyle's aunt and uncle, Mr. and Mrs. Frank Seymour.

Among new residents are Mr. and Mrs. Carl Parks and Mr. and Mrs. Little Martin.

SON IS BORN

KINGS BEACH— Mr. and Mrs. Walter Speeder are the parents of a son, born Tuesday, June 28, in a Reno hospital.

First Tahoe '49 Regatta Slated for July 10th; Others Will Follow

TAHOE CITY— Fred Main of Tahoe City this week announced the running of the first Tahoe Yacht Club races at 10 a.m. on July 10 at Tahoe Tavern pier.

A large list of entries is anticipated and many new boats are expected to make their first appearance. Henry J. Kaiser will be well represented with his racing craft but R. Stanley Dollar Jr. has told friends he cannot be present to see his boat in action again Tahoe's best racers as he is in Detroit racing under the local club's colors in the international events there.

The Tahoe Yacht Club's second regatta will be held August 14 at Chambers Lodge at which the list of contestants will be even longer as many boat owners cannot get up to Tahoe in July.

The United States Coast Guard Auxiliary regatta will be held at the south end of Tahoe on July 24. Events will start at 9:30 a.m. and continue until 7:00 p.m.

Some events will be held at Camp Richardson, with water skiing exhibitions and tournaments, outboard and inboard races, special team races made up from the bay area, Stockton and auxiliaries up and down the coast.

The latter regatta is being sponsored by Lake Tahoe Flotilla No. 61 and promises to be one of the most thrilling and entertaining events ever to be staged at the lake. Prizes will be awarded in the evening at Bijou to be followed by a "flare carnival".

The auxiliary committee on the Coast Guard regatta includes Fred Main, Tahoe City; Fred Kehlet Jr., Meeks Bay, Al Young and Pat Patterson of the south end of the lake.

Death Valley Holds Pioneer Mystery In State's History

Death Valley, frequently referred to as the "Valley of Burning Silences", is located on the southeastern border of California. Approximately 150 miles long and never more than 10 to 35 miles wide, the valley is long and narrow and at its deepest part lies nearly 300 feet below the level of the sea.

The Amargosa River, which at one time flowed in from the south to feed the vast inland lake that covered the floor of the valley, now loses itself in the sands of the desert and the sands themselves, according to the National Automobile Club, are but spotted with a few scattered pools of alkaline water and the shimmer of great deposits of salt, soda, borax and potash that in places are more than a hundred feet deep.

In spite of the great heat, the great dryness, that prevails throughout the valley, some hardy forms of vegetation hang on. Mesquite, desert holly, desert cacti and several varieties of sagebrush sprout here and there across toe open floor. And up in the shelter of the canyon walls grow tamarisk, golden rod, Indian arrowhead and willows.

It was on Christmas Day in 1850 that a small band of pioneers that had set out from Salt Lake City some months before wandered into this wilderness of heat and sand in their attempt to find their way westward. Within a few days the condition of the party was critical and two of their members, John Rogers and William Lewis Manly, decided to set out on their own to seek help. After a tortured journey over to the San Fernando Valley they returned with a precious pack of supplies only to find that many of the party had tired of waiting and had wandered off in the desert, never to be heard from again.

Today Death Valley has lost much of its terror but retained all of its beauty. Stayino at modern resort accomodations, tourists can watch the sun rise over the steep and twisted mountain peaks that hem the valley in, or in the evening can see it set through a haze of heat to paint the valley and all the hills with a thousand subtle shades of color.

GOLDEN DAYS REVIVED—As in the stirring days of a century ago, when Columbia was "Gem of the Southern Mines," two modern gold seekers compare "pannings." Hubert Brady (left) and James W. Harris are Columbians of long years residence who demonstrate that the "ghost walks" even now in the little "ghost town." The official statewide Gold Rush Centennial Celebration is being staged in Columbia under auspices of the California Centennials Commission July 15-16-17.

Leitch Explains New Telephone System For Sacramento Calls

Sunday morning, July 3, at 6 o'clock the Sacramento telephone system will be changed to the metropolitan numbering plan, according to A. P. Leitch, manager for the Pacific Telephone and Telegraph Company at Truckee.

Leitch explained that at that time, central office names will be added to the telephone numbers.

He said Tahoe and Truckee users having occasion to call Sacramento after that date will know what central office name to use by the following table:

Present No. Starts With:	New Central Office Name
2, 3	Gilbert 2, Gilbert 3
4, 8	Hudson 4, Hudson 8
5, 6, 7	Hillcrest 5, Hillcrest 6 Hillcrest 7
9	Hickory 9

Leitch said that in most cases the figures in the present numbers will remain unchanged and the first figure in the number will become the numeral in the new central office name, such as: present number 5-1999 will become Hillcrest 5-1999.

If local telephone users follow the above plan in calling Sacramento they will obtain the desired number.

The new numbering plan has been made necessary by the tremendous telephone growth in Sacramento. Leitch said it is a step in the company's service improvement and expansion program for the capital city.

Gala Evening Marks Charter Award to Brockway Rotarians

KINGS BEACH— Coming as a climax to a meeting held May 10 at the Gables in Kings Beach at which several business and professional men discussd the possibility of forming another Rotary Club at Lake Tahoe was the big celebration and dinner held at Cal-Neva Lodge, Crystal Bay, Lake Tahoe Thursday night, June 23, when the Rotary Club of Brockway received its charter.

The baby club, witi 20 charter members was warmly received into the arms of Rotary.

Approximately 250 Rotarians, their ladies and guests were present to partake of the delicious dinner and to enjoy the program, over which Rotarian Allen Bible, attorney general of the state of Nevada, presided as master of ceremonies, being introduced by President Mulford Miles of the North Tahoe Rotary Club, which was the sponsoring club.

With Gerry Waters of the sponsoring club as song leader, and Louella Boyce as accompanist, the assemblage sang several songs, followed by two solos rendered by Tate Williams, Rotarian from Reno.

Bible called for the introduction of the representatives from all the clubs in District 109, responses being heard either verbally or by letter, many of them presenting gifts. Responses were heard from the clubs in Grass Valley, Lincoln, Loyalton, Nevada City, North Sacramento, Carson City, Elko, Minden, North Tahoe, Placerville, Quincy, Roseville, South Tahoe, Truckee, Reno and Smith Valley. The response to the roll call was given by Tom Lucas, vice president of the Brockway club.

Following introduction of representatives from the various clubs, Tate Williams presented the Aims and Objects to the new club.

District Governor Link Peckinpaugh presented the club its charter from Rotary International. The acceptance was made by President Chet Langenstein.

Peckinpaugh also gave a talk on the ethics of Rotary and told several incidents relative to his recent visit to New York City where he and his wife attended Rotary International.

Bishop Noel Porter, a member of the Sacramento Rotary Club, was guest speaker of the evening.

The meeting was brought to a close by a few well chosen words from Miles.

Oil and Arabia

The new club was called to order by President Langenstein at the Monday, June 27, noon meeting held at The Gables. Following the singing of the National Anthem, the following visiting Rotarians introduced themselves: Arthur Daneri, San Clemente; Bruce Kleemto, Los Gatos; Bob Schmidt, North Tahoe; Alvin Carveth, Victor Wells, Auburn; Don Crystal, Marv Sader, Compton; Mulford Miles, North Tahoe.

Marion Dodd, the program chairman, introduced Wells who appeared in Arabian dress and gave a most interesting talk on "Arabian Oil and the Struggle for World Peace." Wells spent several years in Arabia with the Standard Oil Company and is well versed on his subject which covered not only matters concerning the oil industry but many of the customs and mannerisms of the Arabians. The costume he wore was trimmed with gold thread and had been presented to him by the King of Arabia.

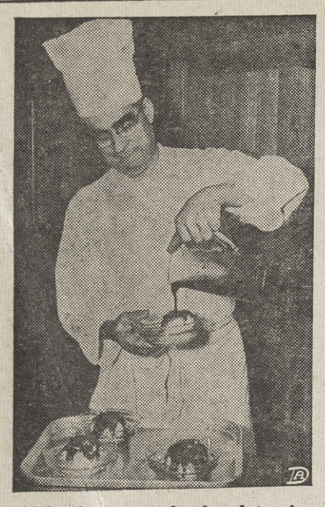
During the meeting, Al Carveth of Auburn said he wished to give the Brockway club the small flags which represent all of the countries in which Rotary is established, for table decorations.

The secretary of the club also presented each member of the club with framed copies of the Rotary Code of Ethics.

"Putting On The Ritz" With Ice Cream

June is National Dairy Month. And what a wonderful time it is for all of us to honor the dairy farmer and his milk products, which are increasing in popularity every year! Milk is acknowledged to be the most nutritious American drink. And ice cream still tops the list of our favorite desserts.

It is interesting to learn that this is also true at the famous Ritz Carlton hotel in New York City, where sophisticates gather. Here Monsieur Louis Diat, Chef de Cuisine of the Ritz and author of "Cooking a'la Ritz" and "French Cooking for Americans," says Coconut Snowball Sundae is one of the Ritz's most glamorous desserts. Snowball Sundaes are simply ice cream balls rolled in shredded coconut and served with a luscious chocolate sauce. Easy to make in a hotel kitchen or in any home kitchenette! Here's how you do it, and be sure to try the Ritzy chocolate sauce recipe that goes with it.



Coconut Snowball Sundae

Shape ice cream into balls; roll in shredded coconut and place one in each sherbet glass. Serve at once with Carlton chocolate sauce.

Carlton Chocolate Sauce

3 tablespoons butter or margarine
2 or 3 squares unsweetened chocolate
1 cup confectioners' sugar
⅔ cup top milk or light cream

Melt butter and chocolate in saucepan. Add sugar and mix well. Add milk gradually, beating until smooth. Bring to a boil over medium heat and cook, stirring constantly, about 5 minutes, or until thick. Serve hot on Coconut Snowballs. Or store in refrigerator and heat over hot water before serving. Makes 1 cup sauce.

North Tahoe Softballers Win Twice, Drop One

KINGS BEACH— The North Tahoe Softball team during the past week swamped two opponents and lost to a third by a single run margin.

Wednesday night, June 22, the local boys trounced the Eagles Club of Carson City 14 to 2.

On Friday night, the Carson 20-30 squeezed by North Tahoe to the tune of 3 to 2.

Sunday morning the North Tahoe team was host to the Truckee 20-30 Club in a non-league contest and took the visitors 16 to 4.

AT TAHOE CITY

Weekend guests recently at the home of Mr. and Mrs. Dick Bartell in Tahoe City were Mr. and Mrs. R. J. Thomas Jr., son Michael and Thomas' mother, Mary Ann Thomas, all of Sacramento. Sunday guests from the capital city were Mr. and Mrs. R. A. Klotz and children Karen and Richard.

The Mississippi River carries almost half a billion tons of solid matter to the sea each year.

Mrs. Geier Steps Down After Two Years As Club's President

TAHOE CITY— Members of the Women's Club of Tahoe on last Thursday afternoon in the Tahoe Community hall elected new officers for the year. The gavel was handed over to the new president, Mrs. Jeannette Mitchell, by Mrs. Louise Geier who served as president for two consecutive years, leaving behind her an enviable record of accomplishment. She was given a standing vote of appreciation for outstanding service rendered.

The new vice president is Mrs. Mazie Carnell; secretary, Mrs. Vera Frazier; treasurer, Mrs. Celeste Daniels and Mrs. A. A. Snyder remains as parliamentarian. New directors are Mesdames Louise Geier, Jean Callender and Otilla Zauner. Eunice Henrikson is in charge of the Sunshine Fund and the auditing committee consists of Mrs. Beaulah Carnell, Mrs. Irene Duffee and Mrs. Zauner.

Outgoing officers, beside Mrs. Geier, were Mrs. Jean Callender, vice president; Marjorie Dorr, secretary and LaRuth Sherman, treasurer, and directors Mrs. Lenora Bartell, Mrs. Irene Duffee and Mrs. Beulah Carnell.

Mrs. Mitchell, the new president, planned to attend the northern district conference in Sacramento on June 28. A guest at Thursday's meeting was Mrs. P. G. Friday, new treasurer of the northern district of the federated women's clubs.

Other business transacted included setting the date for the annual luncheon honoring the incoming and outgoing officers. This will be held on July 7 at the Tahoe Biltmore at 1:30 p.m. and all members planning to attend must have reservations in by July 6. Mrs. Geier is chairman of the luncheon committee, assisted by Mrs. Eleanor Swanson and Mrs. A. A. Snyder. Reservations may be made by calling Tahoe City 66M or Tahoe City 359J.

A donation was given by the club to the resuscitator fund with which to purchase oxygen for emergency cases this summer.

Mrs. Mazie Carnell, membership chairman, named Eunice Henrikson as her assistant.

Mrs. Beulah Carnell was appointed chairman of the committee which will organize a beach party for members of the club and their guests on July 21 at 1:00 p.m. Each member is requested to bring a prospective club member and those who have not been contacted as yet are requested to call Mrs. Carnell at Tahoe City 337W and find out what they are to bring. The club will provide buns, hamburger, coffee and hot dogs and the ladies will bring along the rest.

All those present at the meeting were divided into two groups with Mazie Carnell heading one and Eunice Henrikson the other. The teams will hold a membership drive with the losers treating to a turkey dinner. The contest will run all summer.

MITCHELL GUESTS

Guests at the home of Mr. and Mrs. Imon Mitchell in Sunnyside for nine days were Mr. and Mrs. Joseph Ingram of Los Angeles who departed for nome Thursday last. On June 16 they celebrated their 10th wedding anniversary with the Mitchells who prepared a Tahoe trout fry in their honor.

BEAVERS MOVED

The Division of Fish and Game trapped 44 beaver during the month of May, transplanting four colonies in Tulare County and three in Plumas County.

Distinguished Educators Are Taking Part In Lake Tahoe Seminar

LAKE FOREST— Most of the students from 20 foreign nations attending the International Service Seminar at Lake Tahoe are studying in the United States and will return to their home countries as teachers, journalists, social service workers, scientists, farmers, lawyers and governmental employees.

The purpose of the seminars as defined by the American Friends (Quaker) Service Committee, sponsors, is to bring together such students "from various countries, races and religions, each of whom can contribute to the group's understanding of problems and issues facing the people of the world today."

A visiting faculty of nationally and internationally famous experts in the fields of sociology, economics, history, politics and international relations guide the students in their study and discussions.

Among the faculty participating in the Lake Tahoe Seminar are R. Nevitt Sanford, psychology department, University of California; George Reavey of the Russian Institute, Columbia University; Eugene Staley, executive director, World Affairs Council, San Francisco; Rayford Logan, of the history department, Howard University, Washington, D. C.; and Amiya Chakravarty of the English department of University of Calcutta, now a visiting professor at Howard University.

Howard Thurman of the Church for Fellowship of All Peoples of San Francisco, will be among the faculty of the Lake Tahoe Seminar also. His subject will be "Philosophical Approaches to Peace."

The dean of the seminar is Paul Reynolds of the philosophy department of Wesleyan University, Connecticut. The director is Bradford Abernathy, chaplain of Rutgers University, New Brunswick, New Jersey. The house director is Patricia Pulrang, executive secretary, Student Christian Association, Glendale College, Glendale, Calif.

Among the participants in the Lake Tahoe Seminar are students from Austria, Belgium, Brazil, China, Denmark, England, Germany, Greece, Hungary, India, Pakistan, Panama, Peru and Rumania.

Legislature Acts to Halt Truck Grade Passing

SACRAMENTO —(W. N. S.)— Legislation aimed at stopping the practice of trucks passing on grades was approved by the legislature this week. The senate enacted a measure by Assemblyamn Frank Luckel of San Diego which would prohibit passing on grades unless a speed of at least 12 MPH is attained.

Summit Scene

by FRAN COUILLARD

In a country where everything is reminiscent of winter no matter how warm the summer's day, we find at this time of year the annual influx of Christmas tree merchants looking for land from which the evergreen can be whittled for the festive season.

The American Legion barbecue of Donner Summit Post was a great success. Saw Henry Piche and Irene Goicochea sitting by the door selling tickets for the cocktail lounge. Hear the Legionnaires are planning another outdoor wing ding before the season is over.

The Cedars and North Fork Association people can be seen peeking from beneath their summer loads which weight their cars as they go into this wonderful back country for their regular summer sojourn.

Celya Zahara will start a Summit class in ceramics shortly. Many have signified an interest in trying their hand at this fascinating art and as soon as enough can be gathered Celya is ready to start.

Birthdays will be featured at the Donner Summit Lodge's Saturday night Smorgasbord which opened for the season last Saturday. A huge cake is the centerpiece of the dining room and individual cakes will be served to guests in honor of the birthdayites. We got a peek at the Smorgasbord menu and see a sumptious layout that outdoes anything they have attempted before. With their new dining room enlarged to take care of that overflow that has jammed the place every Saturday evening in Smorgasbord season, expect to see a pretty big lineup.

Bud Walton returns from a San Francisco trip. The James Sherritts return from an Oakland trip. The Steen's Snotell at Kingvale is emerging from the foundation and beginning to look like a building. We note the PG&E crew at Donner Summit Lodge pitching horseshoes across from the lodge as others hurry thru their early dinner so they can go fishing before sundown. Emma Smout, our perennial mountain guest, left for Oakland for a few weeks. Peg Travis of the Soda Springs Hotel is up and about again after her back injury. Ed Ernst, the bartender at the hotel, holds down a pretty good rating as a rifle target shot and dashes off every few weeks for a "shoot" and brings back the bacon.

The last Donner Community Club meeting set a precedent with its folk dancing and we'll bet the school auditorium won't hold the crowd next time. Especally with Celya and John Zahara leading the dance and giving their very expert help to those who haven't learned how to folk dance. We counted 32 on the floor at one time. Those who wanted to start the dance kept their patience in tow for the business of the club to be transacted and learned that Jim Sherritt presented the school with a big electric clock. If you would like to learn how to folk dance, remember the club meets on the third Thursday each month. Being in need of dishes, utensils, pots and pans, a committee is out combing the various lodges for usable stuff to fill the cupboard. You mountain folk who wonder what to do with all those odd pieces that don't fit your sets, the school can surely use them. Contact Lola Schull and she'll see they're picked up.

We think Jack Crampton took top honors for his enthusiasm in the flok dancing novice division. He really put his heart and soul in the dance and if Lydia Crampton's arm didn't ache the next day, we'd be surprised. Kirby Schull got in there too, especially in the square dance. Liz Pierson put her feet down good and hard. The Aldens, newcomers and new owners of Cisco Store, startled the community with their knowledge of the steps and before long they were assisting the Zaharas with the teaching.

Tiny and Irene Cresverry, remember them? Tiny was the jovial bartender at Soda Springs Hotel last year. Well, they are now established at Beacon Hill Lodge and instead of Tiny enchanting the customers with his stories and infectious grin from behind the bar, he now is king of the kitchen. A new addition in the kitchen at Donner Summit Lodge is Roy King from Gridley and, boy, can he cook! We were introduced to a new waitress, Bertha Corey, also at Donner. At Ice Lakes the Bob States, formerly of Palisades, take over to help Bill Rutherford. Rainbow Tavern with its PG&E office crew is farntically busy as is Big Bend with their crew.

Some kids from San Jose can be seen in the area laying out plans for their own ski lodge. Hear about another dormitory with kitchen facilities being built which will be available for ski club rental.

We attended the initiation of the Brockway Rotary Club at Cal-Neva, Lake Tahoe. Saw Tom and Ethel Buell, Art and Mary Walters, John and Julia Ciardella, Herb and Helen Mattheus, Charlie and Lucille Cross, all of the Truckee Club. Between 300 and 400 Rotarians of northern California and their guests attended, giving the Brockway club a wondrful send off and putting $600 in the baby club's piggy bank. Met a lot of old friends. Steve Lombard, incoming district governor, missed the charter night of the new club for he was driving a new car from New York where he had attended Rotary International. We saw him the following evening having dinner at Donner Summit on his way home from the east.

A meeting of the winter sports committee took place to determine policy for next season's folder. To those who were represented in the folder last winter, a letter is being sent to see if they wish to cooperate again this season. The folder this year will be put out early in November. Folders left from last year are being placed on the tables of the various lodges of the area and the transient trade coming through are taking them away. One man from Oregon took 250 for distribution to his skiing friends. An executive committee will be formed from the various contributors so that next winter's work will not fall on the shoulders of two or three.

Floriston

by C. A. FELESINA

* * *

FLORISTON— While returning to Sacramento from Floriston, Max McCurdy, 17, son of Mr. and Mrs. J. A. McCurdy, turned his car over about 35 miles east of Auburn. The accident occurred when he lost control of the car while attempting to pass another car. He was accompanied by Miss Roselee Collipriest of Sacramento. Neither was injured. They got a ride back to Truckee and Bob Whittenberg drove them on to Sacramento, where young McCurdy is employed. Miss Collipriest had been a guest of the McCurdy's for a week and Max had been up for the weekend.

Prof. and Mrs. Charles Seufferle, with Mrs. Suefferle's mother, Mrs. H. C. Savage, have left for San Bernardino to visit Mrs. Savage's sister, Mrs. Russell Lawrence, after which they will go to El Cajon where they will visit another sister, Mrs. H. R. Halsey, and her father, C. W. Neville.

Mr. and Mrs. Byron Miller had as their guests his father, F. Ball Miller of Omo Ranch, Calif., and his uncle, Charles Shaker Miller of Oregon City, Ore.

Mr. and Mrs. Archie Collett and daughters Sandra, Marsha, and Linda of Penryn were visitors at the home of Mrs. Collett's uncle and aunt, Mr. and Mrs. Frank Seymour.

Dr. Wm. Morse Little of Reno has bought a large house here for a summer home.

Visiting at the home of Mr. and Mrs. D. O. Heath are his brother and family, Mr. and Mrs. James Heath and children Mary Lou and Buddy of Marysville.

While en route to Lake Tahoe Mrs. Beulah Murray and Mrs. Helen Isbell of Reno stopped off to call on friends here. The former has spent considerable time in Floriston during the past year.

Mrs. Alex Ayala entertained recently in honor of her son Stevie's 7th birthday. Those enjoying the games and refreshments were Barbara and Carol Thompson, Sharon Demerest, Patricia and Barbara Whittenberg, Francine McCurdy, Lydia Craig, Tala, Margaret, Louise and Eddy Gonzales, Darrell Allen, Davie Ayala and the honoree.

Miss Mary Whittenberg was a recent guest of her sister, Pauline Smith of Sacramento.

Mr. and Mrs. Aubrey Kafton have moved to Fallon where he is employed by the Nevada State highway.

New residents in Floriston are Mr. and Mrs. Ace Fogg and Mr. and Mrs. Marvin R. Quam and family.

Public Schools Core Of Controversy in Legislative Chambers

by EARL G. WATERS
(Western News Service)

SACRAMENTO —(W. N. S.)— Last minute efforts to jam through the legislature the controversial school ADA formula measure (AB 2120) are meeting stiff resistance.

The bill as written would call for additional state support of the schools to the tune of an estimated $36 to $50 million.

In view of Governor Warren's stand that he will not approve of any additional spending unless revenue provisions are made by the legislature to provide the money, it does not seem likely he would sign the bill into law even if approved by both houses.

What is sought by the proponents of the bill is an increase in average daily attendance payments from the present $120 to about $180, a 50 per cent raise.

Teachers' Lobby Backing

The authors of the proposal, Assemblyman Francis Dunn Jr. of Alameda County and Senator Nelson Dilworth of Riverside County, strongly supported by the powerful Teachers' Association lobby and the hierarchy of the State Department of Education, argue that this increase is necessary to relieve the school districts from "dire and disgraceful circumstances."

Cleverly woven into the measure are provisions which would force on the people of the state, particularly the rural areas, the department's school district consolidation program.

It has been charged that this enthusiastic intent on the part of the department of education to force out small school districts under the unification program results from the fact that many of the smaller school districts are unable to offer to their students much of the "highly desirable courses in education" which the department has advocated.

Highly Controversial

Whether or not the schools must follow the suggested curriculum of the state department of education in order to give school youngters a proper education is a highly controversial issue which at best is only a matter of opinion depending on which viewpoint one has.

That Governor Earl Warren did not consider the school problem one of immediate urgency has been apparent throughout the session from his noticeable silence on the subject.

A proposal to be submitted to the voters to further indebt the state to the tune of $125 million for the purpose of aiding the so-called impoverished school districts in constructing more classrooms will be approved by the legislature.

Appeasement Action

This appears to be the only positive action to be taken by the legislature and is at best only an act of appeasement.

It is recognized by most every member that the bond issue proposal does nothing towards solving the basic problems of public schools. Attempts since 1933 to settle these problems by the simple expediency of voting more and more state aid to local schools has resulted only in demands for more and more money.

Senator Chris N. Jespersen, chairman of the senate education committee and long a champion of public education, not only takes issue with the department of education's attempt to unify school districts against their will but accuses the department of attempting "to usurp the time-honored local control of the public schools."

Others have pointed out that until the state board of equalization carries out its constitutional obligation of equalizing tax assessments nothing that is done by the legislature will be an effective solution.

Still others have pointed out that until the state board of equalization carries out its constitutional obligation of equalizing property valuations there can be no sensible nor lasting solution to the public school problem.

Pre-Flight Briefing for Embryo Pilots

My Place In the Sun

by DOUG BARRETT

The approcah of our National birthday set me browsing in the nearest thing we have to files of the Truckee Republican of the 1880's, a scrapbook loaned us by Dr. and Mrs. Bernard. Therein I found about four columns devoted to the 4th of July observance in Truckee in 1882. The editor, in his lead paragraph stated:

"Fourth of July celebrations are always looked forward to as days of fires and drunken street brawls and fights. While on this last occasion we cannot deny that there were many patriotic citizens filled with patriotic whiskey and were patriotically happy, there are, nevertheless, no 4th of July disturbances of any serious nature to chronicle."

He went on to describe the evergreen and bunting decorations on store fronts and residences. At dawn, the 4th was welcomed with the "roar of anvils, the blowing of whistles, the bang of firearms and the explosion of bombs and crackers." The flag flew from every flagstaff and the celebration was noted to be the best since "the extraordinary affair of 1876". A brief description of the parade was included and the bulk of the account was occupied by a verbatim copy of the remarks of the speaker of the day.

The fireworks were held on the hill across this river. From there the crowd went to Hurd's Hall (can anyone tell me where that was?) for the grand ball and the crowd did not "disperse until broad daylight in the morning."

Even though we're apparently too old now for such goings on, at least remember what next Monday is and wish and work for many happy returns of the day to a grand old man, your Uncle Sam.

28 Page Tahoe Booklet Due This Week Says Secretary of Chamber

LAKE TAHOE— Fred Perley, secretary manager of the Lake Tahoe Chamber of Commerce, recently reported a 28-page booklet on the lake is now on the presses and will be ready for distribution by July 1. One or more of the information booths will, in all probability be in operation within a few days, he added.

Perley says that hundreds of inquiries about Lake Tahoe are being answered and news and radio releases are going out from the chamber office regularly.

He points out that the many accomplishments of the organization to date were only possible due to the excellent cooperation of all its members.

Local Dog Teams At South State Show

Mr. and Mrs. Lewis Price and Lloyd Van Sickle, local pure-bred dog handlers and trainers, are showing their teams at the Sportsman's Show in San Diego and later will exhibit them at other southern California affairs before returning to Truckee.

The teams are Samoyedes which won the dog derby here last winter and have since been kept here.

The effects of old age appear earlier in very hot regions.

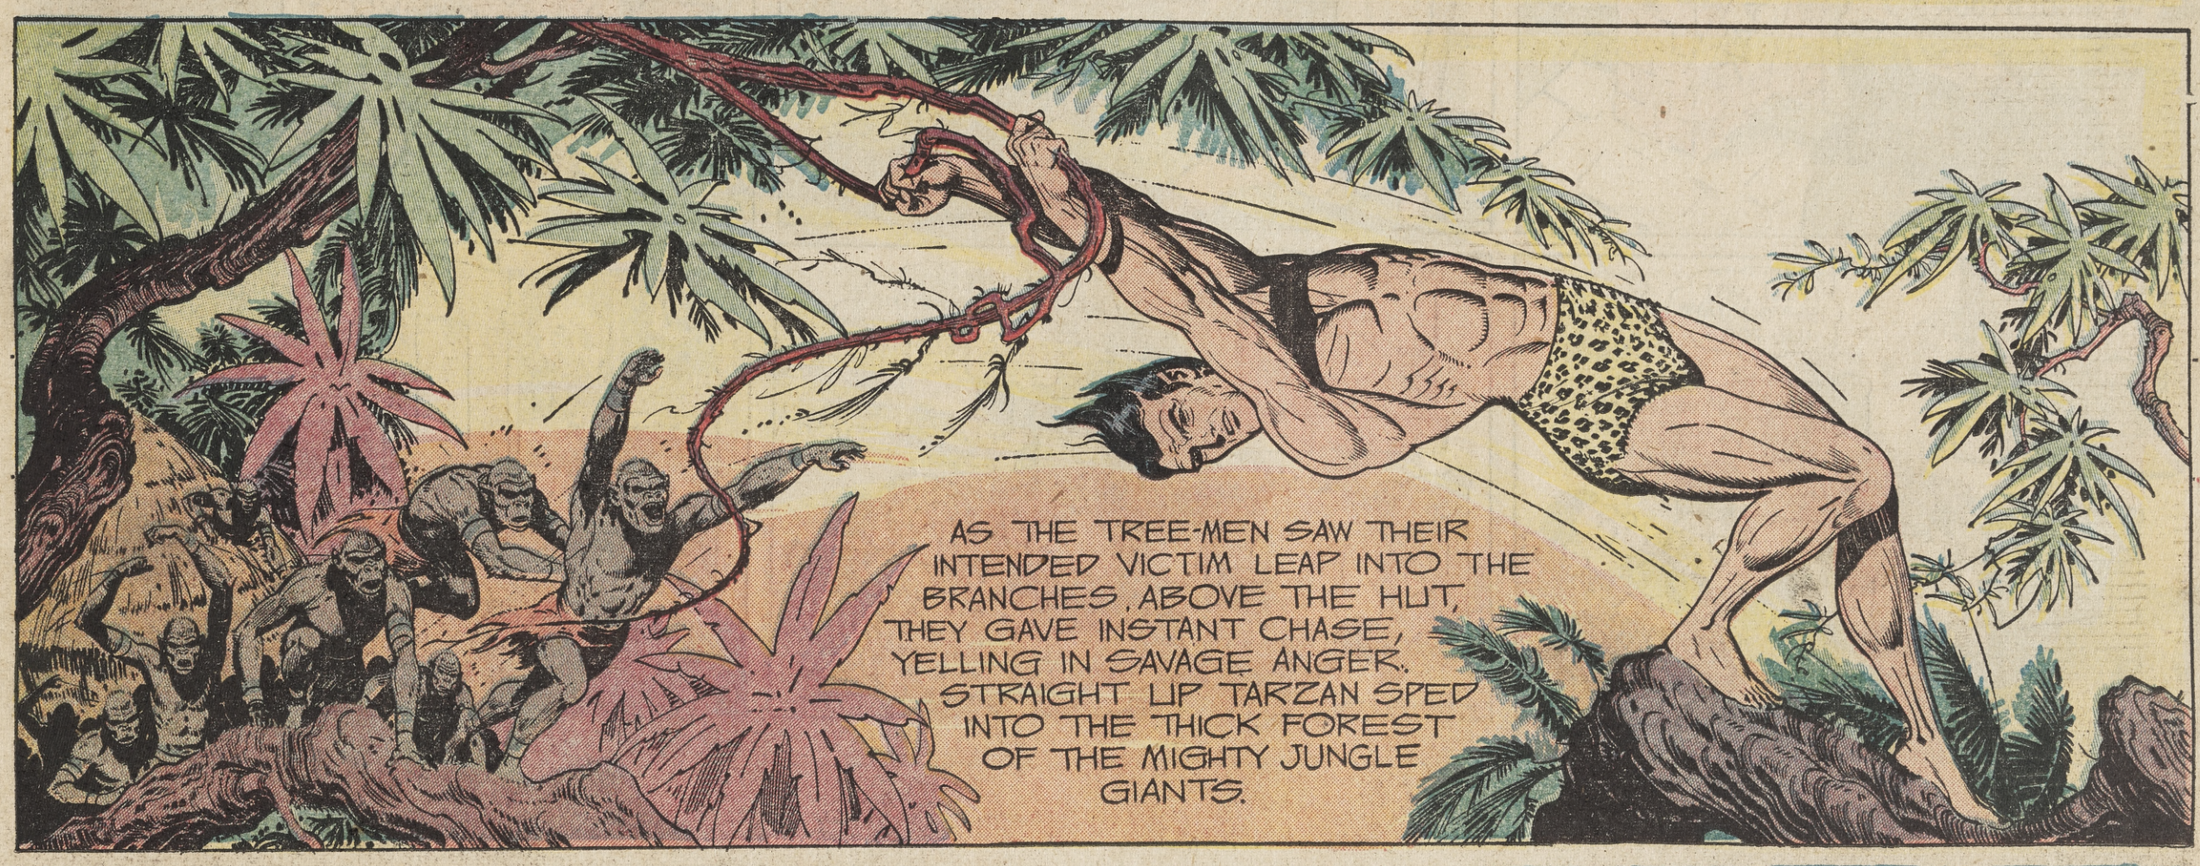
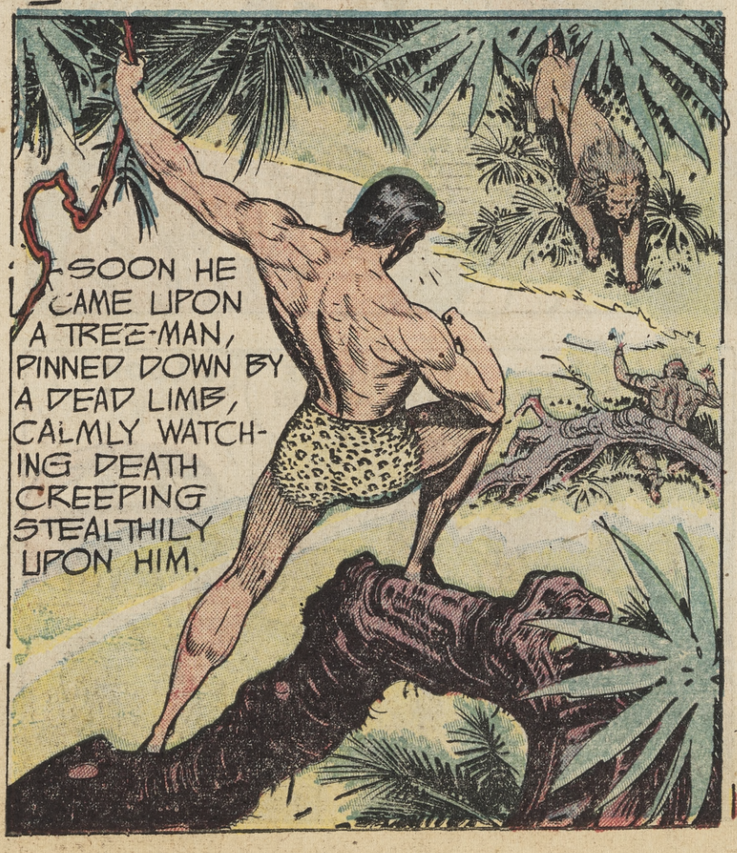
Tarzan

by EDGAR RICE BURROUGHS



AS THE TREE-MEN SAW THEIR INTENDED VICTIM LEAP INTO THE BRANCHES, ABOVE THE HUT, THEY GAVE INSTANT CHASE, YELLING IN SAVAGE ANGER. STRAIGHT UP TARZAN SPED INTO THE THICK FOREST OF THE MIGHTY JUNGLE GIANTS.



AT THE CRY OF "KREEGAH!", MEANING 'BEWARE' IN THE LANGUAGE OF THE GREAT APES, A NAKED WHITE GIANT DIVED TOWARD THE CHARGING BEAST.

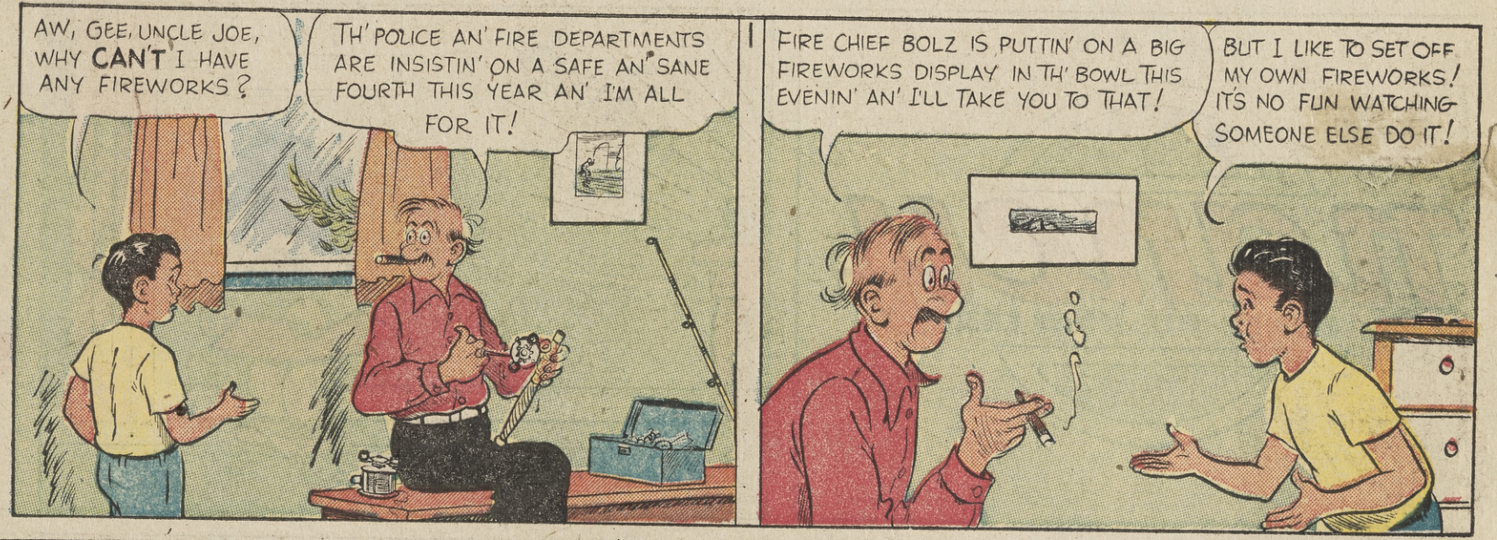
BY HENRY FORMHALS



AW, GEE, UNCLE JOE, WHY **CAN'T** I HAVE ANY FIREWORKS?
TH' POLICE AN' FIRE DEPARTMENTS ARE INSISTIN' ON A SAFE AN' SANE FOURTH THIS YEAR AN' I'M ALL FOR IT!
FIRE CHIEF BOLZ IS PUTTIN' ON A BIG FIREWORKS DISPLAY IN TH' BOWL THIS EVENIN' AN' I'LL TAKE YOU TO THAT!
BUT I LIKE TO SET OFF MY OWN FIREWORKS! IT'S NO FUN WATCHING SOMEONE ELSE DO IT!

BUT, GOLLY, I'D BE CARE-FUL!
EV'RY FOURTH OF JULY, "CAREFUL" KIDS ARE BADLY INJURED BY FIREWORKS! SOMETIMES THEY LOSE A FINGER, SOMETIMES AN EYE!—
